

Employee Development

“Annette Snyder conducted the “Good to Great Employee” seminar at our quarterly staff meeting. She has a no-nonsense approach that our employees appreciated. We have found the dollars invested to engage The Employment Source, when it comes to any type of employment issue, is money well spent! You can count on them to be reliable, competent and a huge time saver.”

We Handle the Ugly Stuff Too

Certain aspects of human resources are fun and exciting—new hires, promotions, awards—but there are other necessary functions that are unpleasant for everyone involved. Our professional staff ensures compliance with employment law, while handling reassignments, terminations, disciplinary actions and more.
